[Robert Hinds, Postmaster says.]

Our woman has used your Limitinent with great success. She had lost the use of her legs for three years, the cords being contracted so that har legs were bent as much white standing, as is natural for the postron of the legs while sitting and she could not bend them in the least, but by the une of H. G. Farrell's Arabian Limitment, she is now after to wark with ease, and has a straight limb. I have found it a most excellent remedy for horse deeth, also, for everything which requires an extensal remedy.

The opinion of an old, experienced and settentific Partier.

WASHINGTON, Iowas, June 25, 1849.

From the speedy and permanent cures, both on man and beast, which your artional Limitment is performing. I do not hesistate to promounce it the "Great Remedy of the age." Thave prictices doctoring to the promounce of the standing of the partier, but I must say that H. G. Farrell's Arabian Limitment exceeds any that I ever made use for By tayer. I have cured Sweeney and Spayin long after they had been pronounced insurable, and I have circleful more that fifty horses this season with your Limitment, ends acing early shale of disease, from scratches and bruiseaughto Spayin Riag-Bote and Sweeney.—I can also bear testimony of its good effects on the human system. I was confined nearly all last winter to my room with Rheumatism, and could cet onling to help me, until I commence the size of your limited limits, which extinctly cured me. Will R GRIMES.

Sun Pain of ten years' standing, cured by H. G. Farrell's Arabian Limitment.

Mr. H. G. Farrells—Dear Str. I had been affected with the "Sun

regreif of any diseased action of nerves, muscles, chords or ignments, moking it equally applicable to sores of any kind, rheumatism, PAINS IN EVERY PART OF THR BODY, from a diseased action of any of the structural portions of the system. WHILE IT SPERFECTLY HARMLESS to healthy flesh, skin, or bone, it has the property of entering into combination, and dissolving any of the organic tissues when they are diseased, or their stating as destroyed. Possessing these peculiar powers, is the reason why it is EQUALLY EFPICACIOIS in so many different complaints. It acts upon scientific principles and FIXED LAWS OF THE CREATOR! From the hundreds of cures that are being almost daily reported to us from all parts of the country, we give a few below.

WIM Milnes, P. M. of Mount Morrah, Iodiana, under date of 11th October, says: "My youngest child walke min a fig. that had been kindled in the vard for washing; I suppose it walked into the ashee, and when it left the neat, it fell forward into the fire with its hands and face, and wassinockingly burned. I am glad to say that by applying two bottles of the Mexican Mustang Liminent, it was perfect.

most excellent for man or beast.

INFLAMED AND CAKED BREAST.

Mrs. B. of St. Louis, was aursing a young child, one nipple became very sorie, and the BREAST INFLAMED AND CAKED HARD.—

A few applications of the Mustang Limiment healed the upple, removed the hardness and inflammation from her breast, and she hard no matcher trouble with it. Numerous cases of this description have come to our knowledge, AND IT IS ALWAYS EFFECTIGAL.—

Mrs. Huches of St. Louis, had a very severe attack of Inflammatory Rheumatism in her shoulders, arms and back. After suffering the most exercitating pain for some ten days, without obtaining any relief FROM HER PHYSICIANS, she was induced to try the Mustang Liniment. Two firy cent bottles effected a perfect cure.

Mrs. Ann.M. Pierce, wife of J. Pierce, Plumber on Market street, St. Louis, had been afflicted for many years with this troublesome and obstinate affection. The disease was confined, principally, to her hand, which would become very much inflamed and swollen, producing airnost intocrable itching and burning. After a few days this crystpellas irrutation would subside, when the skin would peel off and dry in scales, and at every joint LARGE AND FRIGHTFLL CRACKS would ponetrate nearly to the bones, extending half way round the fingers, and entirely across the palms of the bands. In consequence of this drying and contracting of the muscles, the hands were nearly closed, and the ends of the fingers drawn toward the control the palm. In this awful condition, SHE SLFFRED FOR VEARS, trying every remedy that Doctors could prescribe, without any relief. A bottle of the Mustang Liminent was brought into the moure by a young man who was using it for a PAIN IN HIS BACK, and was so much benefitted by it, that he requested her to try it on her Lands; she did so, and by the use of a few bottles, SHE IS PERFETTLY CHRED.

J. C. Houghass of St. Louis, states that he was crossing a bridge on horseback, the bridge broke down, and houself and horse thrown to the bottom of the casek, about fourteen

a bottle. It gaves me an almost immediate rather. My wise has also been fromfold with the same complaint, and by the same remedy is entirely smoot. If have no been anylong that it is the been been dedicted, LOOK NO FURTHER for railef. Official one boate of the Mustang Limiment, prepared as above stated, and be curred at once.

He CRSES AND OTHER ANIMALS.

There is nothing that can be competed to the Mustang Limiment, in its speedy and permanent rure of strains brustees, cuts, gaids, chafes, contribes, a weenly pole evit, for just, by head, spatch, ringbone, wind golf, cracked beet, or any other wound, stiffness, or unnatural entartement of bone or muscle. A livery stable keeper of his city bone on both legs. The borse was completely cured, and his limbs left perfectly smooth, by the use of this Limiment.
